

Design and Technology

I can use ideas from other people when I am designing.

I can produce a plan and explain it.

I can evaluate and suggest improvements for my designs.

I can evaluate products for both their purpose and appearance.

I can explain how I have improved my original design.

I can present a product in an interesting way.

I can persevere and adapt my work when my original ideas do not work.

I can measure accurately.

I know how to be both hygienic and safe when using food..

I can make a product which uses electrical components
