

# Geography

Identify human and physical characteristics, key topographical features and land use patterns and understand how some of these aspects have changed over time.

Human geography including types of settlement and land use, economic activity, including trade links, and the distribution of natural resources including energy, food, minerals and water.

Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

**Describe and understand key aspects of:**

☒ physical geography, including: climate zones, mountains, volcanoes and earthquakes.

Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities

Locate Tudor houses on Flash earth ( Ford Green etc)

Learn about the lack of sanitation in Tudor times

Learn about the explorers, importers, and exporters in Tudor and Stuart times.

Develop map making skills
